## Monthly Rate Tables

### 1 JANUARY 2024 - 31 DECEMBER 2024

## **OUTLINE OF CONTRIBUTION ARRANGEMENTS**

### **Registration of Employers and Employees**

1. Every person operating as an employer is required to register with the Director of Social Security. Employers must ensure that all of their Employees 16 years and over are also registered.
2. All employees must bring one of the following means of identification for registration:
  - a) Valid Passport
  - b) Valid Travel Permit
  - c) Valid Driver's License with a photograph
  - d) Birth Certificate along with a passport size photo – certified by an authoritative figure in the community.

### **The Rates of Contributions**

1. The rate of contribution is 13% of wages and salaries up to a maximum ceiling of \$4,000. This is shared between the employer and the employee as follows:
  - a) Employee 6%
  - b) Employer 7% - includes 1% for Employment Injury  
*In addition*
  - c) Employees who have already attained the Pensionable Age 1%
2. It is the employer's sole responsibility to pay to the Social Security Fund, the total contributions due; but he is entitled to deduct the employee's share at the time the wages or salary are paid.
3. For convenience, contribution tables according to the level of insurable earnings have been drawn up.
4. Reference should be made to these tables when calculating the amounts of contributions payable.
5. Contributions must be paid for all employees who are over 16 years and under the pensionable age.
6. For employees over the Pensionable Age a 1% contribution must be paid for Employment Injury only.

### **How The Contributions Are Paid**

1. At the end of each week or month the employer must pay the total contributions due in respect of all his employees for that week or month to the Director of Social Security.

Payment may be sent by cheque through the post, paid directly to the Social Security Office or paid to the Inspector when he / she is visiting the workplace.

2. Payment should be accompanied by a Contributions Remittance form signed by an authorized person listing the names and Social Security registration numbers of all employees and showing the weekly or monthly insurable salary and amounts of contribution. Approved forms for this purpose will be issued by the Social Security Office and are also available electronically.
3. An employer, registered as such under the Social Security Act, who is not liable for contributions for a particular week or month because no one was employed, should submit a completed Contributions Remittance form (showing their Business Name, Registration Number and week or month of inactivity) with NIL written across the form and signed by the authorized person; or a written statement to that effect can be sent to the Director.

#### **Employees for Whom Contributions Are Payable**

1. All persons gainfully employed in the colony of Montserrat and who have attained the age of 16 years and are engaged in any kind of employment must pay contributions, once they are employed under the following conditions:
  - a) Contract of Service – written or oral
  - b) Apprenticeship – written or oral
  - c) Short-term employment
  - d) Long-term employment
  - e) Part-time
  - f) Full-time

#### **Calculation of Wages/Salary for Contributions Purposes**

1. For the purpose of calculating the amounts of wages/salary (Insurable earnings) for contributions, the gross pay figure should be used and should include:
  - a. Overtime payments
  - b. Commission or profits on sales
  - c. Payments for night or shift work
  - d. Production bonus
  - e. Service charges
  - f. Cost of living payments
  - g. Gratuities, excluding those paid on retirement.
  - h. Danger or dirt money
  - i. Holiday pay
  - j. Employee liabilities paid on his behalf by the employer

2. Contributions are not payable on pensions of any kind whether or not the pensioned employee is still employed.
3. Additional payments (e.g. bonuses, overtime etc.) are treated as part of the gross pay in the week or month in which they are made, regardless of the period over which they were earned. This applies whether or not the additional payments are made regularly. Similarly, arrears of pay resulting from a pay increase are treated as part of the gross pay in the week or month in which they are paid.
4. Where a regular payment of wages or salary is made other than on the normal date, for example an employee who receives a bonus a week late due to absence from work, this does not change the particular weekly payment to which that bonus is to be added in calculating his weekly contributions.

### **Change of Pay Interval**

1. When an employee's regular interval changes (e.g. from a weekly wage to a monthly salary) contributions at the time of the change should be made in accordance with the following general rule:
  - a. A change from weekly to monthly pay interval is treated as taking place from the date of payment of the first full month's salary. Payment for any earlier part-month is treated on a weekly basis. Any payment for a few odd days at the end of a month should be treated as a complete week.
  - b. A change from monthly to weekly pay interval is treated as taking place from the first week in the month after the last monthly payment, any earlier weekly payments being added to the last part-month payment and treated as a monthly payment.

**For further clarification of the above please contact the Social Security Office.**

### **Deduction of The Employee's Share of the Contribution from His Pay**

1. The employer is liable to pay both his own and the employee's share of the total contribution, but he is entitled to deduct the employee's share of the contribution from the particular payment of wages or salary on which a contribution is due.
2. The employer's right to recover the employee's share of the contribution is limited and normally he cannot recover the contributions after the particular wages or salary has been paid.
3. If, however, an employer discovers that through a bona fide error he has deducted less than the correct amount on a payment to the employee, he can recover the amount under-deducted from subsequent payment of wages during the same year; provided that

prior notification is given to the employee and that these additional deductions do not exceed the normal deduction.

### **Employers Records of Wages and Contributions**

1. Every employer is required to maintain a record, showing in respect of each person employed by him
  - a. The date on which such employment commenced and where applicable, the date of termination of employment.
  - b. The date and amount of each payment of wages and salary
  - c. Employee's share of the contributions
  - d. Employer's share of the contributions
  - e. Total contribution payable for each week / month

### **Power of The Social Security Inspectors**

Under the Social Security Act, certain officers have been appointed as Inspectors. Inspectors hold a certificate of appointment and are required to produce this when applying for admission to business premises. They have power to enter, at reasonable times, any premises where they have reasonable cause to believe that persons are employed, including premises exclusively for residential purposes. They may make enquiries, require the production of documents relating to contribution or liability to contribute to the Social Security Fund and make copies of such documents or make extracts.

### **Offences and Penalties**

1. An employer who, without reasonable cause, obstructs an Inspector in the exercise of his duties under the Social Security Act, or fails to pay contributions, for which he is liable under the Act, renders himself liable, on summary conviction, to a fine or other penalty.
2. Where an employer is in any doubt as to his responsibilities with regard to payment of Social Security contributions or any related matter, he should consult the Social Security Office for clarification
